HUNS CONTINUE BOMBARDMENT ON FLANDERS FRONT

VICTORY IN SEA FIGHT BALANCED BY NEW LOSS

AMERICAN SHIP SUNK OFF FRANCE

Eleven Members of Crew Killed or Drowned When the Tyler Was Torpedoed.

SUBMARINE IS DEFEATED

In Fight With Steamer Tidewater-Navy Announces Successful Fight With Foe.

(Associated Press.) New York, May 7 .- The American steamship Tyler, formerly an Old Dominion freighter, has been torpedeed and sunk off the French coast, according to information received in marine circles here today. Eleven members of the crew were killed or drowned.

The Tyler was a vessel of 3,928 tons gross and was built in 1913. She was sunk on May 3.

Navy Department Report. (Associated Press.) Washington, May 7 .- A fight between the American steamer Tidewater and a German submarine on March 17, in which the submarine was defeated and perhaps sunk, was reported today by the navy

department. The steamer encountered the U-boat at night and barely missed colliding with her as she was submerging. The Tidewater fired a shot which fell some distance ahead of the submarine's wake, but a second shot apparently was a clean hit. The crew of the ship was satisfied the shot was effective, but a third shell was fired at the place where the U-beat submerged.
